### Annual Dinner

FALL 2014

WPC's most popular event each year is our famed [Annual Dinner](#), which will be held this fall in [Bellevue](#) and [Spokane](#). Our Dinner events are now one of the largest policy gala events in the country. Last year we welcomed more people than ever before, over 2,000, where Dr. Ben Carson and Wisconsin Governor Scott Walker brought the house down with their inspiring keynote addresses. The event now also features a young professionals component where an additional 200 up-and-coming leaders gather to watch the event via simulcast. Our 2014 Dinner is sure to be another blockbuster! Stay tuned for speaker announcements.

### Solutions Summit

The next Solutions Summit is being timed for maximum impact and exposure and will be held in early January 2015, leading into the 2015 Legislative Session! Your 2014 support of WPC can also include the Solutions Summit.
